WM. E. PELL, PROPRIETOR.

THE CONVENTION.

OPENING OF TAMMANY HALL TO PUBLIC INSPECTION.

POSITION OF DELEGATIONS IN THE HALL.

The following we take from the New York *World*:

"The new hall on Fourteenth street, built for the Tammany Society or Columbian Order, was opened for public view Thursday, the interior arrangements and decorations being exactly as fixed for the National Democratic Convention to assemble here on the glorious Fourth. It is impossible to praise them too highly. On all sides the stars and stripes meet the eye in varied draperies of gay design. There is something particularly happy in the way which the American flag accommodates itself to all the requirements of decoration.—Its colors—as has been repeatedly proved—form the truly legitimate elements of all agreeable decoration. A remarkable example of their happy combination in Tammany Hall is the rich canopy above the chairman's desk enshrining the bust of Washington. The slender shaft bearing upon its apex the noble lineaments of him whom we look upon with such reverence is thrown up with remarkable distinctness from the crimson background, while the folds of dark blue silk bordered with gold bullion which form the tent-like canopy complete an harmonious arrangement of color eliciting the highest admiration. To complete the glamor of this little shrine, concealed reflectors throw a golden, fitful gleam upon the pallid marble.

By the mighty aid of the great St. Tammany, the Columbian Order has made for itself a home worthy of its grand reputation in the past, and a glorious presage of its achievements in the future. And all the guests who yesterday thronged its spacious hall were earnest in their applause of its accomplished work. The invited guests began to arrive at 1 o'clock, and in a short time the hall was filled with a crowd of elegantly-dressed ladies and gentlemen, who moved slowly around the aisles and galleries, gazing at the decorations from every possible point of view. The arrangements made for seating the delegates are as follows: The whole number of seats upon the ground floor within the bar and facing the platform are reserved for their use. The seats are divided by aisles into three sections, and in these sections the States are located in the following order:

Right Wing.—Virginia, 20 seats; North Carolina, 18; Pennsylvania, 52; Ohio, 42; Iowa, 13; Mississippi, 14; Maryland, 14; Minnesota, 8; New Jersey, 12; Missouri, 22; West Virginia, 10; Connecticut, 12.

Centre.—Texas, 12 seats; Vermont, 10; Massachusetts, 24; Alabama, 16; South Carolina, 12; Louisiana, 14; Wisconsin, 16; New Hampshire, 10; New York, 66.

Left Wing.—Maine, 14; Florida, 6; Kentucky, 22; Delaware, 6; Indiana, 26; Nebraska, 6; Kansas, 5; Nevada, 6; Tennessee, 20; Illinois, 32; Rhode Island, 8; Michigan, 16; Arkansas, 10; Oregon, 6; California, 10; Georgia, 18.

The seats of each delegation are marked by a blue banner bearing the names of the States they represent in gold letters. The friends of the delegates will have seats provided for them at the sides, where there is plenty of space and ample accommodation. There is also a large number of seats below the bar, and beyond that a considerable amount of standing room. The galleries also are very large, and afford excellent positions of watching the proceedings of this great Convention, and will doubtless be crowded with spectators. The platform will accommodate about eighty persons.—There are plenty of large ice water fountains in the building, and the windows, front and rear, afford excellent ventilation.

Grafulla's Seventh Regiment band of fifty pieces having taken possession of the platform, opened the proceedings with the performance of "The Star-Spangled Banner." This was followed by "Hail Columbia."—Other pieces were then performed at intervals.

Beautiful as the hall now appears, it is but the beauty of still life; but when filled with the delegates of these various States, all charged with a stupendous duty which makes their actions fraught with the gravest issues of the future, it is not too much to say that the scene will be one that must be vividly prominent for good or evil in all the annals of America.

It is impossible in the brief space at command to name all the celebrities who visited the hall in the course of the afternoon."

GEN. FRANK P. BLAIR DEFINES HIS POSITION.

WASHINGTON, June 30, 1868.

Colonel James O. Broadhead:

DEAR COLONEL:—In reply to your inquiries, I beg leave to say that I leave to you to determine, on consultation with my friends from Missouri, whether my name shall be presented to the Democratic Convantion, and to submit the following as what I consider the real and only issue in this contest.

The Reconstruction policy of the Radicals will be complete before the next election; the States so long excluded will have been admitted; negro suffrage established, and the carpet-baggers installed in their seats in both branches of Congress. There is no possibility of changing the political character of the Senate, even if the Democrats should elect their President and a majority of the popular branch of Congress. We cannot, therefore, undo the Radical plan of reconstruction by Congressional action; the Senate will continue a bar to its repeal. Must we submit to it? How can it be overthrown? It can only be overthrown by the authority of the Executive, who is sworn to maintain the Constitution, and who will fail to do his duty if he allows the Constitution to perish, under a series of Congressional enactments, which are in palpable violation of its fundamental principles.

If the President elected by the Democracy enforces, or permits others to enforce, these reconstruction acts, the Radicals, by the accession of twenty spurious Senators and fifty Representatives, will control both branches of Congress, and his administration will be as powerless as the present one of Mr. Johnson.

There is but one way to restore the Government and the Constitution, and that is for the President elect to declare these acts null and void, compel the army to undo its usurpations at the South, disperse the carpet-bag State governments, allow the white people to re organize their own governments and elect Senators and Representatives.—The House of Representatives will contain a majority of Democrats from the North, and they will admit the Representatives elected by the white people of the South, and with the co-operation of the President it will not be difficult to compel the Senate to submit once more to the obligations of the Constitution. It will not be able to withstand the public judgment if distinctly invoked and clearly expressed on this fundamental issue, and it is the sure way to avoid all future strife to put this issue plainly to the country.

I repeat that this is the real and only question which we should allow to control us: Shall we submit to the usurpations by which the Government has been overthrown, or shall we exert ourselves for its full and complete restoration? It is idle to talk of bonds, greenbacks, gold, the public faith, and the public credit. What can a Democratic President do in regard to any of these, with a Congress in both branches controlled by the carpet-baggers and their allies? He will be powerless to stop the supplies by which idle negroes are organized into political clubs—by which an army is maintained to protect these vagabonds in their outrages upon the ballot. These, and things like these, eat up the revenues and resources of the Government and destroy its credit; make the difference between gold and greenbacks. We must restore the Constitution before we can restore the finances, and to do this we must have a President who will execute the will of the people by trampling into dust the usurpations of Congress known as the reconstruction acts. I wish to stand before the Convention upon this issue, but it is one which embraces everything else that is of value in its large and comprehensive results. It is the one that includes all that is worth a contest, and without it there is nothing that gives dignity, honor, or value to the struggle.

Your friend, FRANK P. BLAIR.

WEDNESDAY, JULY 8, 1868

A KNOT TO BE UNTIED OR CUT—SOME OF THE BEAUTIES OF RECONSTRUCTION.

The Reconstruction legislation is a labyrinth, from which, when one enters, there is no escape, except by breaking through or cutting out. The 14th. or Howard amendment, so offensive to every lover of the old Constitution, so violative of the generally admitted rights of the States, and withal so destitute of magnanimity when proposed for the adoption of honest Southern people, was the first move of the Radicals at reconstruction. The majority of Congress did have some ground to claim the support of the Northern people for this measure. It did enter somewhat into the canvass for the 40th. Congress, but was so unfairly presented, that many were misled as to its design and purpose. For all its subsequent Reconstruction acts, Congress has not had the sanction of the people.

The 14th amendment is clearly a failure. It was presented to ten of the Southern States for acceptance and was rejected, almost unanimously, by their Legislatures.—The acceptance by Congress of the ratification of the 13th amendment, abolishing slavery, by the ten Southern States, was an endorsement, by Congress, of the validity and regularity of the governments existing in them, and that they were States in the Union; otherwise, their ratification of the 13th amendment is a nullity, and the Constitution is still silent upon the abolition of slavery. Again, Congress admitted the regularity of the governments in the States, formed in accordance with the Johnson policy, when it submitted the Howard amendment for their ratification, and it was rejected.

This result changed the Congressional programme, yet it did not abandon the Howard amendment, which will prove an interminable barrier against anything like regularity, order and law in the State governments now forming. The new Reconstruction acts were based upon the idea that the Southern States were not States, but conquered territories. Had Congress abandoned the Howard amendment as a part of the Reconstruction acts, but enforced its principles by the sword, as it has done, it might have avoided another serious dilemma. If the Southern States were not States during the progress of reconstruction, then the ratification of the Howard amendment by the provisional Legislatures is a nullity, since no territory can perform the functions of a State, nor vote on an amendment to the Federal Constitution. Nor can the recent adoption of the Howard amendment by the present Legislature give it the force of law in the State, until it becomes a part of the Constitution, and this can never be by the votes of the ten territories or military districts in the South. For neither territories, nor conquered provinces, nor military districts, none other but States, can vote to amend the Constitution of the United States.

The Howard amendment cannot be a law in this State and for the people of this State, since as yet it is no law at all, nor did the General Assembly, in its ratification of it by joint resolution, enact it as a law for this State, but by its resolution assented to its being a part of the Federal Constitution, and then a law to this State and all the rest, when it shall become a part of the Constitution. But if North Carolina was not a State when the joint resolution was adopted, it is a nullity. If it were a law, it will be placed on the statute book by the Commission on the Code, and not without; but the Commission will not be guilty of such nonsense.

The Howard amendment, as part and parcel of the Reconstruction Acts, was the law in this Military District, so long as the civil government, according to the acts themselves, was provisional. But the moment North Carolina became a State, according to the Radical theory, the Reconstruction Acts, with all their appointments, expired or became null and inoperative.

The recent bill passed by Congress, relieving certain citizens of North Carolina and other States of their political disabilities imposed by the Reconstruction Acts and the Howard amendment, can have no legal effect except to qualify them for office in the then incipiency of the State, in passing from a provisional to what Congress would call a regular government. In other words, it was a part of the reconstruction policy and cannot have any other legal bearing. In proof of this, it is plain, that if the Howard amendment ever becomes a part of the Constitution, every individual pardoned by Congress will again be under disabilities imposed, not by Congress, but by the Constitution itself. Why so? Have not their disabilities been once removed? Congress removed the disabilities *it* imposed on them *itself*, but certainly did not remove any disabilities imposed by the Constitution. The Howard amendment was not then a part of the Constitution, and it was not in the power of Congress to remove disabilities which then had no existence. If the Howard amendment, therefore, ever becomes a part of the Constitution, the Governor, Lieut. Governor, Judges and other officers, whose disabilities have been removed by Congress, become at once in law *functi officio*, unless Congress at once relieves their disabilities again. This conclusion, we think, is inevitable. Who will untie the knot?

AND so Mr. A. H. Jones has taken the test oath. What a threat Mr. A. H. Jones has!

"WE ARE AT HOME NOW."

Agreeably to the principles and measures of reconstruction, adopted by the Radicals, Judge Reade may very confidently assume, "we are at home, now." The reception of the North Carolina delegation is proof positive that, according to the Radical theory, *North Carolina is now a State in the Union*, —a co equal State, possessed of the rights and powers which belong to the other loyal States. For be it understood, hereafter, that North Carolina is now a *loyal* State.

If a State, her people, in the exercise of political power, have the right to control her own internal affairs—to determine the question of suffrage, the conditions of office, &c. If a State, Congress has no right to say who shall or who shall not hold office here. Until the Howard amendment, therefore, becomes a part of the Constitution of the United States, no man in North Carolina is lying under political disabilities. The Constitution of the State, and the Constitution of the United States, impose no disabilities upon any one. The acts of Congress, which imposed disabilities, were in force only so long as the State was provisional. Congress, in no act, asserts its right to impose, or does impose, disabilities on the citizens of *States*, in full harmony with the Union. That is now the position of North Carolina. It did impose disabilities on citizens in Military District No. 2, comprising the late "rebel" States of North and South Carolina, but it imposed no disabilities, nor did it claim the right to impose any, upon citizens of the *States* of North and South Carolina.

Whatever show of propriety "Lieut. Gov." Caldwell, or the General Assembly of North Carolina, had for refusing to admit Senators or Representatives, elected by the people under the Reconstruction Acts, who presented proper certificates of election, adjudged to be banned by the Reconstruction Acts of which the Howard amendment was a part, (and has no other legal vitality,) *before* North Carolina was admitted into the Union, *it certainly has no particle of authority for keeping them out now*, that the State is admitted!

If Congress *intended* to keep them under the ban after the State was admitted, until the Howard amendment became a part of the Constitution, no sound lawyer or jurist in the country will admit that Congress had that *right*. Nor can it be shown that Congress any where *claimed* that right. We defy any one to show fallacy or any error in this argument.

For the Sentinel.

U. S. SENATORSHIP.

Messrs. Editors:—I don't like your politics, nor your denunciations of scallawags, carpet-baggers, &c., but I do like your North Carolina *feelings*, and therefore, I ask you to publish, in your Daily, the views of myself and friends on the U. S. Senatorships. Every body now reads the *Sentinel*, because it is the only Daily in the city—hence I want you to publish this.

I am ready, as a good Republican, to concede to those Northern gentlemen, who have recently come among us, and who have been useful allies to us in spreading Republican principles in the State, all that they ought to claim. I am willing to give them their share of offices and profits in the party, but I don't feel like selling out to them the whole State, yet. I verily believe that native North Carolinians, or persons who have been in the State long enough to look and feel and talk like North Carolinians, ought to represent the State of North Carolina in the U. S. Senate. It would be a lasting stain upon the Radical party in this State, to have it said that the party did not have men smart enough to represent the State in the Senate, but had to get a parcel of men whom the New York *Herald*, *Sentinel*, and such like outrageous papers, impudently and persistently call *carpet-baggers*.

I can't fight it out on that line, Messrs. Editors. The great West, which I represent in part, *must have* one of the Senators. We are willing cheerfully to give one Senator to the East, but we must have one from the West.

I shall, therefore, vote for that old veteran Republican, Gen. Alfred Dockery, of Rockingham. We need just such an old Roman there, to help steer the ship. These boys, who are pushing their noses into every thing and getting their heads cracked, won't do to tie to. We want the old General there to ballast the vessel, as well as steer.

And then the West will claim Hon. A. H. Jones, now of Buncombe, as her choice for Senator. Jones is a noble fellow—he has borne the brunt of the fight and *pioneered* through the thickets and brought us out safe.

I say to the General Assembly, give us Dockery and Jones, and no mistake. This is my ticket and it must be pressed to success, if it be necessary even to abandon this caucus work, which I never did like as an honest, independent man.

A WESTERN REPUBLICAN.

THE FOURTH of July having ceased to be of the slightest interest to the white people of the South, like a worn-out pair of breeches, it has fallen into Cuffee's hands.—The people of the South are as philosophical about the seizure of the "Fourth" by the negroes as was that equestrian who remarked to his mule, when he put up one of his hind hoots into the stirrup, "*Well, my friend, if you intend to mount I shall get down*;" and he at once vacated the saddle. The negro enjoys a holiday, however absurd the reasons for it. We do not. We hand over "the Fourth" to the Yankees mercenaries, the carpet-baggers, the scallawags and the negroes, with a bow. But when it ceases to be a travestie, a mockery and a wicked farce, and when those who made it so by acts of infamous tyranny are in the dust, we shall celebrate the anniversary of the Declaration of Independence with all the honors of better days.—*Rich. Whig.*

GEN. JOHN C. BRECKENRIDGE.—It will be gratifying to our readers to learn that this distinguished statesman has once more landed in America. He reached Toronto last Saturday morning from a long sojourn in Europe, and after visiting the Orient.—While his friends in Kentucky and other States, who love him so well, will regret that he is not already in their midst, it is at least some satisfaction to them to know that he is no longer separated from them by the ocean. And now, more than ever, will they cherish the hope that an official ammonestment of the oblivion of past differences will soon restore to our State a son so endeared to her citizens by his many shining and noble qualities.—*Louisville Courier.*

Theodore Tilton despairingly says, in the *Independent*, of U. S. Grant: "Is there no way to stop him of this terrible drinking and smoking?" Theodore should go and reason with him.

GENERAL ASSEMBLY OF NORTH CAROLINA.

BY AUTHORITY OF CONGRESS.

FIRST SESSION.

SENATE.

AFTERNOON SESSION.

MONDAY, July 6, 1868.

The Senate was called to order at 4 o'clock.

On motion of Mr. Robbins, the bill relative to qualifying officers elected in this State, was taken up and referred to a Select Committee of five, to-wit: Messrs. Robbins, Sweet, Barrow, Winstead and Shoffner.

Mr. Sweet, from the Committee on Rules, reported rules of order for the government of the Senate, which were slightly amended and adopted.

A message was received from the House, transmitting the resolution to print 50 copies for each member of the General Assembly, of the Governor's Inaugural and other addresses, and proposing to amend by inserting 10,000 copies. The Senate refused to concur.

Also, the following bills, which were read the first time: Bill providing for holding a special Term of the Superior Court of Caldwell County; and a Bill to amend the charter of the Davidson Copper Mining Company.

On motion of Mr. Barrow, the Senate adjourned until to-morrow, 10 o'clock.

HOUSE OF REPRESENTATIVES.

AFTERNOON SESSION.

MONDAY, July 6, 1868.

The House, according to adjournment, was called to order at 4 o'clock.

MEMORIALS.

Mr. Estes presented a memorial from J. T. Sclenck, (negro,) contesting the seat of W. W. Grier, of Mecklenburg. Referred to Committee on Privilegrs and Elections, when appointed.

A message was received from the Senate, transmitting a resolution, ordering the printing of the Inaugural Address of W. W. Holden, and also the remarks of Judge Reade and Lt.-Gov. Caldwell, fifty copies to each member.

Mr. Abbott moved to make the number ten thousand, instead of fifty copies to each member. Carried.

The resolution, as amended, was then adopted.

A message from the Senate, transmitting a resolution asking the House to request the Military Commission to furnish the papers in the matter of the election in Caswell County.

Mr. Hodnett said that there had been much said about the election in Caswell. He was very willing that the resolution should pass. He had been willing for Gen. Canby to decide it. All the evidence that had been taken was of an *ex parte* character. He had received no official notification of his seat being contested. The law requires that 30 days notice should be given. He only wished a fair and full investigation, for if it can be fairly shown that he was not entitled to his seat, he would cheerfully retire. He came here an unfettered man, and because he had seen fit to act as his conscience directed him during the late Convention, he had been the object of much abuse; and, more especially in this case, as the claimant of his seat was *a negro*, you will use all efforts, legal or illegal, to throw me out.

Mr. Durham said he was sorry to see such proceedings in the early stage of the session. Why should this House ask the interference of the military? The Constitution, under which we are now sitting, and which every member has sworn to support, points out the legal manner of contesting the seat of a member. Yet what do we see? In the face of oaths to support the Constitution, a desire to introduce evidence of a purely *ex parte* character, taken before a military commission. What is that but a violation of oaths? Why has not the gentleman been legally notified? He has been left to inform himself of the proceedings about to be instituted against him, by mere floating rumors and outside reports. Mr. D. then moved to lay the resolution on the table, but withdrew the motion, at the request of

Mr. Hodnett, who said that a man came to Yanceyville, professing to be an agent of the Freedman's Bureau, to examine, as he stated, the alleged frauds in the election.—A number of white persons asked to be present and bear the examination. He peremptorily refused to allow any white man to remain in the room, except one Stevens, who was the radical candidate for the Senate. The said agent remained in the Court House until night, and then adjourned to the House of the said Stevens, and there continued the examination until 11 o'clock at night, as was publicly stated by a large number of colored persons, who attended. It is not known, to this day, by the Conservative candidates, the character of the testimony thus brought forward. I did not propose to impugn the justice of the examination afterwards ordered by Gen. Canby, which appeared to be fair and impartial.

Mr. Argo said that, to say the least, these proceedings were irregular. He did not arise as a partisan, but only to raise his voice in behalf of justice and the constitutional law of the State. He did not propose to go into a discussion of the merits of the question. Mr. A. then read from the 52nd. chapter of the Revised Code, pertaining to such matters, and also from Gen. Canby's recent telegram to Gov. Holden, of July 3rd. Mr. A. argued that as Gen. Canby had examined the testimony and failed to find any facts injuring Mr. Hodnett's claims to his seat, and according to the tenor of the aforesaid telegram informing the Governor that the military would no longer exercise authority under the Reconstruction acts, the House could not invoke the interference of the military.

Messrs. Abbott and Seymour opposed the motion to table the resolution.

J. H. Harris, (negro,) of Wake, moved to amend, by incorporating, in the resolution, the words "and the evidence pertaining to all other cases in contested elections."

Mr. Bowman opposed the adoption of the resolution.

Mr. Estes moved to refer the matter to the Committee on Privileges and Elections.

Mr. Argo said if the matter was irregularly up, as the gentlemen that preceded him seemed to acknowledge, then there was nothing before the House to refer. All he wanted was a fair investigation, regularly brought up and conducted according to law. Whenever the matter was properly broached, he would himself move a joint Committee to investigate the matter.

Mr. Durham thought the point in question, now, really, whether or not they were under the supervision of the military. Here we have a vital principle of law we are asked to sacrifice, in order to make room speedily for Mr. Hodnett's opponent. If such a thing is done, in this instance, it is a precedent established, by which encroachments upon the Constitutional liberty and privileges of the people will be made, with some "coloring of right."

Mr. D. then moved to lay the motion to refer upon the table.

Mr. Hodnett proceeded to state his objection to the unfairness and irregularity of the proceedings instituted against him, when

Mr. Abbott asked him if Gen. Canby's order, that gave him his seat, did not say his election would be subject to the investigation of the House.

Mr. H. replied: "No, Sir."

The order was then produced, and no such provision was found to be contained in it.

Mr. H. then said he thanked the gentlemen for having alluded to the order, for that reminded him that his certificate from Gen. Canby's own hand is of a subsequent date, which proves, conclusively, that the General had examined the alleged frauds, and given him the certificate after such examination. He would produce the certificate at any time.

Mr. Durham asked Mr. Abbott if evidence taken before a Military Commission would be admitted into a Court of Justice.

Mr. A. replied that he did not know whether it would *or* not, in this individual case.

Mr. Pou thought the whole proceedings irregular and would be glad to see the whole resolution laid on the table.

Mr. Bowman also opposed the resolution on the same grounds.

Mr. Abbott wished to know how it was that the gentleman (Mr. Hodnett,) should seem afraid of admitting the evidence, taken before the Military Commission, when he claimed that Gen. Canby had examined the evidence and decided in his favor.

Mr. Argo replied, saying that we are not afraid of any evidence you can bring; we only ask that the proceedings be conducted in a legal and constitutional manner, and only such evidence as the law of the land declares to be legal admitted.

Mr. Durham renewed his motion to lay the motion to refer on the table.

The question was put, and the House refuse to table, by a vote of yeas 42, nays 44.

The question recurred upon Harris' amendment, and Mr. Davis moved to lay it on the table. Lost.

The amendment was then adopted.

Mr. Durham moved to lay the whole matter on the table and called for the yeas and nays. The call was sustained and resulted in the following ballot:

AYES—Messrs. Argo, Armstrong, Boddie, Clayton, of Transylvania, Cawthorn, (negro,) Davis, Durham, Ellis, Estes, Ferebee, Forkner, Gatling, Gibson, Green, Hicks, Humphries, Harris, of Franklin, Hawkins, Jarvis, Kelly, of Davie, Moore, Matheson, Pou, Proffitt, Robinson, Smith, of Allegany, Sinclair, Shaver, Stanton, Thompson, Whitley and Williams.

NAYS—Messrs. Abbott, Ames, Ashworth, Blair, Carson, Candler, Clayton of Chowan, Cherry, (negro,) Crawford, Dixon, Downing, Ellington, Foster, Franklin, Gahagan, Gunter, Gilbert, Graham, Hutchings, Harris, of Wake, (negro,) Hoffman, Horney, Hodgin, Justice, of Henderson, Justice, of Rutherford, Kinney, Kelly, of Moore, Long, of Chatham, Laflin, Mayo, (negro,) Morrill, Morning, Morris, (negro,) Mendenhall, McCanless, Peck, Price, (negro,) Parker, Proctor, Pearson, Robbins, (negro,) Ragland, Renfrow, Rea, Rhodes, Stilley, Simmons, Seymour, Stevens, Sweat, (negro,) Snipes, Sykes, (negro,) Short, Siegrist, Vestal, Vest, Wilson, Williamson, (negro,) Wilkie, Wiswall, White and Waldrop.

The resolution, as amended, was then adopted.

Mr. Abbott, from the Committee on Rules, presented a report, which was ordered to be printed.

Mr. Bowman gave notice that, on to-morrow, he would introduce a bill to alter the name of the town site of Mitchell County, from Davis to Bakersville.

On motion, the House then adjourned until 10 o'clock, to morrow.

SENATE.

TUESDAY, July 7, 1868.

The Senate was called to order at 10 o'clock.

Prayer by the Rev. Mr. Blythe, Senator from Henderson.

Mr. Robbins presented the credentials of Mr. McLaughlin, Senator from Iredell.

The President invited him forward and asked if he knew of any disabilities under which he was laboring, which would disqualify him.

Mr. McLaughlin replied that his constituents had already answered that question.

The President stated that he was authorized by the Senate to propound the question.

Mr. McLaughlin protested that he had no authority to do so; that his credentials were before them, and that they might do with them as they saw proper.

On motion of Mr. Rich, his credentials were referred to the Investigation Committee.

RESOLUTIONS.

By Mr. Welker: A resolution providing for the appointment of a Committee of one from each Congressional District to take into consideration the arrangements for establishing a Penitentiary.

By the same: A resolution proposing to appoint a Committee of five to define the duties of the Board of Public Charity.—

By the same: A resolution proposing to admit in Committee of the Whole the Commission on the Code. Adopted.

By Hyman, (negro,): A resolution fixing the *per diem* and mileage, allowing $8 per day to the Speakers, $5 per day to the Senators and Clerks, and 20 cts. mileage.

Dr. Mr. Moore: A resolution relative to *per diem* and mileage, proposing that the *per diem* and mileage be the same as that of the Legislature of 1866-67.

On motion of A. H. Galloway, (negro,) his resolution, relative to the removal of disabilities of certain persons in North Carolina, was taken up and adopted.

On motion of Mr. Burns, his resolution, proposing to raise a Committee to investigate and report the condition of papers, &c., connected with the Auditor's office, was taken up and adopted.

Mr. Robbins introduced a bill, relative to the issuing of marriage licences; which passed its second reading, under a suspension of the rules, and was referred to the Committee on the Judiciary.

By Mr. Barrow: A bill for the relief of the Sheriff of Northampton County. On motion of Mr. Barnes, it was amended, by including the Sheriffs of Wilson and Nash, Counties.

The bill to amend the Charter of the Davidson Copper Mining Company was taken up and referred.

A message was received from the House, covering the resolution, as amended, in relation to election frauds in Caswell. The House had included other Counties.

Mr. Shoffner, Senator from Alamance, desired to amend by excluding any investigation into alleged frauds in Alamance. The matter was with Gen. Canby and he preferred its remaining.

The Chair ruled that it was not in order to amend.

The Senate concurred in the amendments of the House.

The Senate concurred in the proposition of the House to go into the election of Enrolling Clerk. Mr. Barrow nominated J. A. McDonald, of Chatham.

There being no other nomination, Mr. Welker reluctantly opposed the nominee, for the reason that he did not consider him qualified. The election proceeded and Mr. McDonald received 23 votes,—many of the Senators having been excused from voting.

A message was received from the House, proposing, by bill, to change the name of the county seat of Mitchell from that of "Davis" to its original name "Bakersville."

Also a resolution for the relief of Sheriffs and their securities in the several counties of the State. Both read first time.

Mr. Rich, Senator from Pitt, moved to go into the election of Engrossing Clerk.—Agreed to, and Mr. Rich, the brother of the Senator, was put in nomination.

Mr. Love nominated R. W. Best, Esq.

Mr. Rich, Senator, asked to be excused from voting. Mr. Rich received 29 votes and Mr. Best 6.

The Senate then adjourned until to-morrow morning, 10½ o'clock.

Mr. White's bill, entitled "An Act for the relief of Sheriffs and their Sureties," was taken up and put upon its third reading.

[This bill allows until January, 1869, for the collection of arrearages of taxes.]

After some amendment, the bill passed its third reading and was ordered to be engrossed and transmitted to the Senate.

Mr. Bowman presented a bill to change the name of the town site of Mitchell, from "Davis" to "Bakersville."

The bill passed its several readings and was ordered to take the usual course.

"It being known to some of the body, that the Rev. Henry Hardie has made a tour of this State, and is now engaged in preparing a volume, embodying an account of the resources of North Carolina, for the information of the public, especially those at a distance who contemplate settling here:

Therefore Resolved, That the Committee of Education be instructed to confer with Mr. Hardie, as to the contents of the Book, looking to its publication, and make such recommendations in regard to it as may seem to them proper."

The resolution was put to a vote and adopted.

Mr. Durham moved a message to the Senate, proposing to go into the election of an Enrolling Clerk.

The motion was put and carried.

A message was received from the Senate, proposing to raise a Joint Committee to examine into the Auditor's accounts, and naming Messrs Burns and Brogden, on the part of the Senate; and, also, proposing to raise a Joint Committee upon the removal of political disabilities from certain citizens, and naming Messrs. Walker, Galloway, (negro) and Love, as the Senate branch of that Committee.

On motion, the resolutions were concurred in and the Senate ordered to be notified thereof.

The Chair announced, as the House branch of the Committee on the removal of political disabilities, Messrs. Sinclar, Foster and Sykes, (negro,) and on the Committee to examine into the accounts of the Auditor, Messrs. Estes, Davis, of Carteret, and Blair.

A message was received from the Senate, announcing their readiness to proceed to the election of an Enrolling Clerk, and informing the House that Mr. McDonald, of Chatham, was in nomination.

Mr. Durham nominated Mr. J. C. Syme, of Wake.

The roll was called and the vote resulted: McDonald 67; Syme 20.

Mr. Seymour moved to go into the election of an Engrossing Clerk. Carried.

Mr. S. nominated James E. O'Hara, (negro.)

Mr. Stanton placed in nomination R. W. Best, Esq.

Mr. Vestal nominated Mr. T. T. Best, of Forsythe.

The roll being called, Mr. Best received 26 votes, Mr. T. T. Best 11, and O'Hara, (negro,) 48.

Mr. Bowman offered the following resolution:

WHEREAS, A system of Public Schools is about to be inaugurated and put in operation, under the requirements of the Constitution of the State;

And whereas, It is provided, in Art. IX, Section 9, of the Constitution, that the General Assembly may alter, amend or repeal all acts, rules and regulations, which may be adopted or made by the Board of Education, in relation to the Free Public Schools and the Educational Fund of the State:

Resolved, That it is the sense of this General Assembly that the Free Public Schools of the State should be so established and regulated, that colored children and white children shall not be taught in the same school, and that the School Commissioners of the respective Counties should be instructed and required by the Board of Education to provide separate schools for the two races, and to extend to each the like facilities for instruction, and the proportional benefits of all provisions that have been and may hereafter be made for public education in this State.

Referred to the Committee on Education, when appointed.

On motion, the House adjourned until 4 o'clock this afternoon.

COLLEGES AND SCHOOLS.

The success of the institution, under its present administration, has far surpassed the expectations of its most sanguine friends.

Thomasville Female College,
THOMASVILLE, N. C.

THE FALL SESSION of this institution will commence on Tuesday, the 4th of August, and continue twenty weeks.

The Faculty is full and composed of able and experienced Teachers. The course is extensive embracing all the solid and ornamental branches taught in other Female Colleges. The religious advantages are unsurpassed.

This College is located between Salisbury and Greensboro', in one of the most beautiful and healthy towns on the N. C. Central Railroad, and is in two miles of the celebrated "Holton Chalybeate Springs." And at the additional expense of 25 cents per day any of the "College girls" can have the constant use of the water.

For Circulars, containing full particulars, address
Rev. D. R. BRUTON,
June 24-d&w3w&wtlth aug. President.

Wake Forest College, N. C.

THE FALL TERM OF THIS INSTITUTION will open on the first day of August, 1868, with the prospect of increased patronage and success. The complete assurance given at the recent Commencement of the adaptedness of the University system to the wants of the times, and of its feasibility, encourages its Trustees to believe that the College has entered upon a career of popularity and usefulness hitherto unknown in its history. The financial embarrassments to which all Southern Colleges have been subjected, have not felt to the same extent at Wake Forest, as at some others, in consequence of the considerable amount of original endowment saved, and of the favorable reception with which the Agent of the College meets in securing additional funds. An expenditure of more than $2,000 has been recently made in improving the condition of the building and grounds.

Determined to bring its advantages within reach of the largest number possible, the Trustees, seconded by the community, have reduced the price of Board and Tuition to the lowest practicable rates.

The officers of instruction are gentlemen of tried ability in their several departments, and the students attend at their offices in the past is the best guarantee the public can have for the future.

The location of the College in point of healthfulness and accessibility, (being situated on the Raleigh & Gaston Railroad a few miles from the Capital of the State,) is not surpassed by that of any other in the land; while the moral and social influences connected with and surrounding it, and the peculiar discipline enforced, present inducements to patronage of no ordinary kind.

A system of PUBLIC LECTURES on literary and scientific subjects has been introduced, with a view to increase the interest of the young men in the several departments of study, and to furnish additional incentives to investigation and research.

Extensive and well selected LIBRARIES belonging to the Societies, and complete APPARATUS, PHILOSOPHICAL and CHEMICAL, are not to be omitted in the enumeration of the advantages possessed.

Another encouraging feature is that there are, at present, thirteen young men engaged in studies preparatory to the work of the Ministry; and it may not be amiss to state that any Minister, who may apply for admission, will receive tuition in all the departments free of charge, and those of this class, who are without means, are encouraged to apply to the Board of Education for further assistance.

THE SENTINEL.

LOCAL DEPARTMENT.

WEDNESDAY, JULY 8, 1868.

DAILY SENTINEL FOR THE GENERAL ASSEMBLY.

The *Sentinel* will be furnished, daily, *to subscribers only for the session*, at $1 per month. Members of the General Assembly will be supplied on the same terms, at their rooms or desks. The paper cannot be afforded for less, in view of the cost of reporting. It will only be sent during the session to those who order it and pay in advance.

Our regular subscribers will continue to be furnished at former rates: $4 for six months and $8 for the year.

NEW ADVERTISEMENTS.—Notice of application to the Legislature for a charter for the "North Carolina Mutual Home Insurance Company."

See 11th. Quarterly statement of the Raleigh National Bank of North Carolina. The exhibit is flattering to the financial skill and ability with which this Institution is conducted.

Table and Pocket Cutlery: J. Brown, (with Hart & Lewis,) Fayetteville Street.

The Sixth Session of Miss Frances A. Haywood's School will commence on Monday next, the 13th. inst.

The 148th. Term of the University of North Carolina will commence on Friday, July 17th.

JUDGE BATTLE'S Law School at Chapel Hill will be re opened on the 15th. of the present month. We are glad that this distinguished jurist will still "do the State service" in instructing our young men, designing to follow the legal profession, in the science and principles of Law. No man in the country is more admirably fitted for such an honorable vocation.

NOTICE.—An advertisement for a female teacher to take charge of a small School appeared in the *Sentinel*, only two or three days ago. Since then, we have received not less than *twenty* applications, making inquiries as to terms, &c. We regret that we have not the time to answer these various letters. We refer all applicants to Madison Hodge, Esq., Eagle Rock, Wake County, who is the advertiser. We know nothing beyond what is contained in the advertisement.

The fact that we should have received so many applications tells its own sad story. It is highly creditable, however, to the educated women, from whom we have received so many and such sensible letters, that they seek an honorable and useful vocation, however humble, to keep the "wolf from the door."

IT WILL really sadden those of our citizens, who were proud of the attractions of Capitol Square, to see the havoc that was made there by the thousands of negroes who were permitted to trample down the grass and shrubbery in the grounds, on Saturday last. Even the beautiful *arbor vitæ* trees were hacked and hewn to make shelters for the "trooly loil."

APPOINTMENTS.—"Gov." Holden has made the following appointments of Directors to represent the State in the Atlantic and North Carolina Railroad Co., viz: Ed. R. Stanly, of Craven; C. R. Thomas, of Craven; R. F. Lehman, of Craven; R. W. King, of Lenoir; W. P. Grimsley, of Greene; A. C. Davis, of Carteret; W. B. Duncan, of Carteret,; Walter Dunn, of Lenoir.

And the following *remarkable* appointments of Supervisors of the Insane Asylum, viz: Robt. W. Lassiter, Jos. W. Holden, C. L. Harris, Jefferson Fisher and G. W. Brodie,—the latter a Canadian negro, who has been in the State only two or three years. The following is the ousted Board: Geo. W. Mordecai, Thos. Bragg, Charles Dewey, Charles E. Johnson, and T. H. Selby. "Look on this picture and then on *that!*" Are there not other "trooly loil" men in the community, that the "Governor" must confer an appointment of this sort on his own son?

CORRECTION.—Mr. Proffitt, the excellent representative from Yancey, was erroneously reported, a few days since, as having voted in favor of laying on the table Col. Sinclair's resolution requesting Congress to remove the disabilities from every man elected to office in North Carolina. Mr. Proffitt voted *against* tabling, of course.

MODEST.—The Raleigh *Standard*, notwithstanding the rumors of a sale of the establishment, still flies at the Editorial mastheid the names of "W. W. Holden & Son." Yesterday's issue of that paper, we learn, speaks of "Gov." Holden's Inaugural as one of the "ablest State paper, ever written by any Governor of North Carolina," and characterizes a speech by the young 'un, on the evening of the 4th., as "eloquent!"

HON. BEDFORD BROWN, Senator elect for Caswell, being a member of the National Democratic Executive Committee, has been prevented from claiming his seat in the Senate, by his duties in the great Democratic Convention in New York. Mr. B. is one of the Vice Presidents of the Convention.

NORTH CAROLINA DELEGATION.—The Hon. William A. Wright was elected Chairman of the North Carolina delegation, at the Democratic Convention in New York, and Dr. R. B. Haywood, of this City, Secretary.

WE HAVE only space, to day, to refer the reader to the shameful proceedings of the House, on Monday afternoon, in the case of that consistent Union man and worthy gentleman, Mr. Hodnett, of Caswell. We shall speak of them, hereafter.

ON DIT.—That the rumor, some time since current, that one of the sons of the late Senator Douglass was to be the new "Governor's" Private Secretary, is correct.

WE INVITE attention to the letter of Gen. Frank P. Blair, which we publish on our first page. Its utterances are manly and significant.

"PAT MY BACK AND I'LL TICKLE YOUR ELBOW."—The Senate proposed to print fifty copies of the "Governor's Inaugural," for each member, with accompanying documents, viz: Judge Reade's speech on finally "getting home," and Mr. Caldwell's little pyrotechnical effort. When the proposition got to the House, Gen. Abbott, mindful of the eulogy the "Governor" passes upon just such men as Gen. Abbott, proposed to amend, by printing 10,000 copies. This, reasoned the General to himself, will compliment the "Governor" and put a neat sum into the pockets of the "printing ring." The General ought, by all means, to have included in his proposition the high falutin speech of Holden *fils* on taking the Speaker's Chair. But Gen. Abbott ought to remember that the Treasury of North Carolina is not plethoric, that the taxes of our suffering people must necessarily be heavy, any way, and that 10,000 copies of so voluminous a document will cost a large sum of money!

LEGISLATURE, YESTERDAY.—Nothing of special importance transpired on yesterday. Johnny McDonald, of Chatham, was elected Enrolling Clerk, and O'Hara, negro, from Wayne, one of the Engrossing Clerks. In the House, Mr. Bowman introduced some important and proper resolutions on the School question.

In the Senate, Mr. McLaughlin, the estimable Senator from Iredell, who has been detained at home until now by indisposition, presented his credentials. In doing so, and in reply to the interrogatories of the Presiding officer, he not only exhibited a manly independence, but took entirely the proper view of his position and rights.

TRUE WORDS.—The Charlotte *Democrat*, speaking of the unbecoming and paltry conduct of Gen. Abbott in opposing Col. Sinclair's resolution, requesting Congress to remove the disabilities of every man elected to office in this State, truly says:

"The fact that a man who spent his past life at the North, and only became a resident of North Carolina after the close of the war and obtained civil office by force of military law, should countenance, aid and assist in proscribing the old native citizens of the State, is contemptible, if not aggravating. The day of such men's rule will soon play out."

PRESIDENT JOHNSON, in answer to a letter from friends in attendance upon the National Democratic Convention, in New York, asking his consent to allow his name to be used as a candidate for the Presidency, signifies his willingness to serve, if he should be the choice of the Convention.—The letter is said to be an able defence of his course.

STATE NEWS.

Wm. Check, of Warren, died on the 26th ult., in that county, from the effects of a kick by a sheep.

The colored voters of Nash county are making large preparations to have a grand Democratic dinner at Col. W. D. Harrison's Store, on the 13th of August. Gov. Vance, Capt. Samuel T. Williams, and other gentlemen, have been invited to speak.

The New York *Tribune* announces that the Siamese twins, who have been living for many years past in the Western part of this State, have determined to dissolve their physical partnership by severing the ligament that has bound them together for so long a period,—nearly sixty years. *It is said* that they will go to Paris to have the operation performed. Chang and Eng were born united by a stout ligament fixed to the breast of each in close proximity to the vital organs. This ligament, some ten inches in circumference, is endowed with sensation, morbid and nervo mental conditions to such a degree, that the highest medical authorities have differed as to the possibility of severing it without death to the twins. It was considered so hazardous that they have lived together, with all the inconveniences of such a union, for their long lives. They came to this country in 1827, and were exhibited for some years, after which they retired to a valuable farm in North Carolina, where they were *married* to two sisters, natives of that State, and each has nine children!

An immense alligator was killed in the Albemarle and Chesapeake canal, one day last week. Before he was killed, he ran among a crowd of negro boys who were swimming, and, notwithstanding the heat of pursuit, he took time to lay hold of one of them, and swallowed him as he went.

Iredell county has to pay $1,075, for its share of the expenses of holding the late State Convention.

Dr. Hawkins, the able President of the Raleigh and Gaston Rail Road, and whose foresight seldom blunders, has had set out on his land, in Warren Co., 100,000 peach trees. The orchards cover about 600 acres, it is supposed.

A new gold mine has just been opened in Gaston Co., by H. W. Rumfelt, which is considered very rich. To meet the disasters of the war, and of Radicalism to boot, will require that every man in the State should open a gold mine.

Dr. Jno. F. Foard, of Iredell, has erected cabins at his Powder Springs, in that county. These Springs are said to possess fine medical qualities, and he proposes to rent them to persons seeking health.

The Fayetteville *News* says that there are 400 acres in that vicinity planted in grape vines. The soil and climate are well adapted to vineyards and wine making.

KU KLUX.—About one hundred negro boys, more or less, were selling ice water Saturday in and around "the Square," price "one cent for as much as you can drink."—One of them encountered a K. K. darkey who emptied his horse bucket at a draught and called for more. The boy gave up the business in disgust and went off crying.—*Rich. Whig*, 6th.

Grant's name, given to him by his highly respectable parents, was Hiram. But when the youngster arrived at the years of supposed discretion, he discovered that Hiram of old had given aid and comfort to the Jews, and he therefore repudiated the name.

The Springfield *Republican* (Radical,) in the annexed article, expresses fear for the supremacy of the Radical party, even in bigoted Massachusetts. That paper says:

"The Republican party of this State is in peril—in its honor and in its power. The Democratic leaders are indulging in strong hopes of getting possession of the State government. They count the divisions of the Republicans upon temperance, legislation, the corruptions that have grown into administration and legislation, the bad management and frauds which have accompanied the tunnel enterprise at Mountain and State House, the sharp quarrel between the Governor and the Legislature this year, and the bitterness left behind it; the alliance with themselves of the still existing P. L. L. secret leagues, and the deep disgust that many honest yet independent Republicans feel at the shiftless and degrading way things have gone and are still going in their party—these and kindred circumstances they count on as sure to give their candidate for Governor, again to be that half-Republican, young Mr. Adams, a greatly increased vote, and a fair chance of an election next fall. These are not vain expectations. There is a deep and wide spread demoralization among the Massachusetts Republicans as a State party. They can only recover tone and unity and strength by a courageous movement that shall bring new men and new politics into dominance, and thrust aside alike those who have debauched its ranks. A bold and firm stand against that wide-spread affliction of weak and wicked men know as the lobby, and the expulsion of its members and their creatures from the influence at the State House, and from power in the party convention; and the nomination of independent, vigorous-hearted men, for the chief places in the Government, who, if possible, are fresh to their work, and so without complication in the disturbing and distracting elements of the party—these are the two essentials for a successful meeting of the crisis that confronts the Massachusetts Republicans."

TO LAND OWNERS.

HAVING BEEN APPOINTED, BY THE AMERICAN AGRICULTURAL AND MINERAL LAND COMPANY, Agent for all that part of North Carolina lying east of and including Catawba County, I am authorized to say, to any person or persons having 2,000 acres in one body, partially cleared and near a Rail Road, that if they will agree to subdivide their lands at the expense of the Company, the Company will purchase alternate lots at their assessed value for taxation or as ascertained by two disinterested parties, paying for the same in the Company's stock—the Company obligating itself to place a white settler on every 200 acres, so acquired, within three years, or, failing to do so, such land unsettled to revert to the original owner; the owner to retain possession until the land is settled.

The object of this system is to bring into the State an industrious and thrifty population and to enhance the value of our lands. It has been adopted in other States and is said to be working finely.

This Company was chartered by our Legislature of 1866. Land owners will please address me for particulars at Reidsville, N. C.

THE NATIONAL DEMOCRATIC CONVENTION.

THE PLATFORM!!

TWO BALLOTS FOR PRESIDENTIAL NOMINEE!!

NEW YORK, July 7, M.

Convention met.

Resolutions from Hon. Alexander H. Stephens were read and referred. The name of Stephens was loudly *cheered*.

The platform was unanimously adopted amid immense cheering. It declares:

Slavery and Secession are regarded as dead issues.

Bonds payable in lawful money unless the face calls for coin.

Equal taxation of all property, including coin.

One currency for all.

Economy.

Reduction of the Army and Navy.

Abolition of the Freedmen's Bureau, and inquisitorial modes of collecting Revenue.

Subordination of the Military to Civil authority.

Restoration of all the States.

Amnesty for all political offences, including restoration of suffrage in all the States.

The control of suffrage belongs exclusively to each State, and Congress has usurped it, in violation of the Constitution.

Reconstruction Acts unconstitutional *and void*.

Thanks President Johnson.

Invites all parties to unite on this platform.

The Convention then proceeded to the nominations. Connecticut nominated English; Illinois, Richardson; Maine, Hancock and Pendleton; New Jersey, Johnson, Church and Packer. Many others were placed in nomination. Chase's name was not mentioned.

On the First Ballot, Pendleton received 105. The Southerners, nearly all, voted for Johnson.

Second Ballot: Pendleton 99½; Packer 26; Johnson 52. Others scattering.

THE NATIONAL DEMOCRATIC CONVENTION!

NO NOMINATION YET!!

SIX UNSUCCESSFUL BALLOTS!!!

NEW YORK, July 7, P. M.

On the first ballot the following States voted for Johnson, viz: Alabama 8, Florida 3, Georgia 9, Maryland 2½, Michigan 8, Missouri 1, South Carolina 6, Tennessee 10, Texas 6, Virginia 10. For Pendleton: Maine 4, Missouri 5, Nebraska 3, New Hampshire 2, North Carolina 9, Ohio 21, Oregon 3, West Virginia 5.

For Hancock: Louisiana 7, Maine 4½, Massachusetts 11, Mississippi 7, Missouri 2½, New Hampshire 2.

The rest scattering—Arkansas for English.

The sixth ballot resulted for Pendleton 122½, Parker 13, Church 33, Packer 27, Johnson 21, Doolittle 12, Hendricks 30, Blair 5.

The balloting, during the day, was merely skirmishing, and

At adjournment, no indication of the final result.

The Convention meets at 10 o'clock to-morrow.

Gov. Seymour received nine votes on the third ballot, when he again positively declined.

No mention of Chase yet.

Virginia voted for Pendleton on the third ballot. (Cheers.)

On the fourth, Florida changed from Hancock to Doolittle, and North Carolina gave Pendleton 2½ and Arkansas 3.

Georgia voted for Blair.

FROM WASHINGTON—SPECULATIONS AS TO THE NOMINATION.

WASHINGTON, July 7, P. M.

The Convention experts here are totally at sea, regarding the result.

Chase's friends are still confident that a strong movement in his behalf will occur on the tenth or twelfth ballot.

Hendricks is regarded the only probable man among those now in nomination.

Politicians consider the contest between Hendricks and Chase.

The Congressional Republican Committee have advices that the Democrats have carried Mississippi. Their correspondents charge fraud, (of course.)

CONGRESS—STEVENS' ARTICLES OF IMPEACHMENT.

WASHINGTON, July 7, P. M.

SENATE.—After unimportant business, the tax bill was resumed.

Without concluding, the Senate adjourned.

HOUSE.—Stevens introduced his impeachment articles, and asked a committee.

The consideration of the matter was postponed to Monday.

The Russian-American appropriation bill was resumed.

Night session was ordered.

Adjourned.

A DEMOCRATIC PEDESTRIAN.

RICHMOND, July 7, P. M.

Mark Grayson, a pedestrian, left this city this afternoon, to walk to Omaha, making sixty Democratic speeches on the way. The trip is to consume forty-seven days.

He carries a flag marked "Democracy." A large crowd followed him to the suburbs.

MISSISSIPPI GONE DEMOCRATIC.

JACKSON, July 7, P. M.

Returns from all the counties but two, give a Democratic majority of eleven thousand four hundred and five.

FROM NEW ORLEANS—LEGISLATURE.

NEW ORLEANS, July 7, P. M.

The seats of seventeen Democratic members of the House, of whom ten are from the parish and city of Orleans, are contested. They are not allowed a voice in the proceedings, while the contest is pending.

MARKETS.

NEW YORK, July 7, P. M.

Cotton firmer and more active. Sales of 3,900 bales at 33.

BALTIMORE, July 7, P. M.

Cotton steady at 32½.

Flour dull.

WILMINGTON, July 7, P. M.

Spirits Turpentine weaker at 39@39. Rosin in better demand. Strained 1,80; No. 2 1,80; No. 3 2,25; Pale 4. Tar weaker at 2,25.

Senator Wilson says that he isn't worth $500 in the world. Politically he isn't worth a continental—obstruction to a stream.

ÆTNA LIFE INSURANCE COMPANY,

OF HARTFORD, CONN.

ASSETS, $9,000,000.

No. POLICIES 52,700.

DIVISIBLE SURPLUS $1,884,768,51.

DIVIDENDS 50 per cent.

In these days of competition between Life Insurance Companies much is said by rival Agents, each claiming the Company he represents to be the best. Without saying anything in disparagement of any Company, or, by simple assertion, anything in its favor, the ÆTNA begs leave to refer to the annexed table, compiled from the official and sworn statements of twenty of the largest Companies in America, made to the Insurance Commissioners of the State of New York. The table shows the ratio of expense to each $100 received by each Company, for the three years ending January 1, 1868.

It will be seen that the expenses of the Ætna are much lower than any other Company; and, after the average is struck, the Ætna, in 1865, saved $10 41 out of each $100 received—more than the average; in 1866, $7 17; and in 1867, $4 90. The receipts of the Ætna were, in 1865, $1,655,309; in 1866, $3,522,376, and in 1867, $5,120,447. Consequently, its savings in the three years were $277,319.-39, to which add 7 per cent. interest to July 1, 1868: $120,287.64, making a grand total of $797,307 03 saved over the average of all other Companies.

This is the measure of success, as applied by the Hon Elizur Wright, the greatest of American actuaries, to all Companies, and simply means that the Company whose RATIO of expense to its income is the least, is the best able to pay large dividends to its policy holders. That the Ætna is THAT Company, these comparisons of official statements plainly show.

Official Statement showing the Expenses and Losses by the Twenty Largest Insurance Companies in America.

THE LAST NEW BALLAD.

[From Punch.]

"I will not ask to press that cheek"
Without a guarantee
That nature spreads the pearl and red
Which there I always see;
Those lustrous lips I will not touch
Unless you promptly say
That their bright hue is fast and true,
And will not wash away.

Those brilliant eyes may owe their charm
To belladonna's use;
Complexion tints I've heard dark hints
Are changed by walnut juice;
And if I ask the dearest girl,
For whom alone I live,
For one long tress to kiss and bless,
It mayn't be her's to give.

The pencilled brow, the raven lash
Are open to a doubt
And some mistrust, but they're unjust,
The shape I rave about;
So in this dubious state of things,
And as the weather's warm,
I will not seek to press that cheek,
Or ask to clasp that form.

NEW ARRANGEMENT

FOR THE

SENTINEL.

Published in the City of Raleigh, N. C.,

Daily, Semi Weekly and Weekly.

William E. Pell, } Editors.
Seaton Gales, }

In view of the scarcity of money, and the severity of the times, the Proprietor of the SENTINEL has determined to reduce the terms of the paper, to commence after the 31st. DECEMBER, next, and to make such improvements in its general character as will commend it to the patronage of an enlightened public.

In POLITICS it will be thoroughly Conservative, advocating, at all times:

A strict observance of the Constitution of the United States, and the harmonious Union of equal States;

Obedience to law and the enforcement of order;

The supremacy of the civil over the military, in time of peace;

The equality of the three co-ordinate branches of the government;

The sovereignty of the States over their own internal affairs, in strict conformity to the Constitution;

The maintenance of freedom and justice to all, without distinction of color, but the supremacy of the white race as the governing class;

Opposition to Radicalism in all its phases.

As a NEWS journal, it shall be equal to any.—The principal markets will be regularly published.

Its LITERARY character shall be maintained and improved, by contributions from our best writers.

Finally, the SENTINEL will seek to be the special promoter of the educational, moral and economical interests of the people of North Carolina.

GENERAL REMARKS.

Revenue stamps may be used indiscriminately upon any of the matters or things enumerated in Schedule B., except proprietary and playing card stamps, for which a special use has been provided.

Postage stamps cannot be used in payment of the duty chargeable on instruments.

It is the duty of the maker of an instrument to affix and cancel the stamp thereon. If he neglects to do so, the party for whom it is made, may stamp it before it is used; and, if used after the 30th of July, 1864, and used without a stamp, it cannot afterwards be effectually stamped. Any failure upon the part of the maker of an instrument, to appropriately stamp it, renders him liable to a penalty of two hundred dollars.

Suits are commenced in many States by other process than writ, viz: summons, warrants, publication, &c., in which case these, as the original process, severally require stamps.

Writs of scire facias are subject to stamp duty as original process.

The jurat of an affidavit, taken before a Justice of the Peace Notary Public, or other officer duly authorized to take affidavits, is held to be a certificate, and is subject to a stamp duty of five cents, except when taken in suits of legal proceedings.

Certificates of loan in which there shall appear any printed or written evidence of an amount of money to be paid on demand or at any time designated, are subject to stamp duty as Promissory Notes.

The assignment of a mortgage is subject to the same duty as that imposed upon the original instrument; that is to say, for every sum of five hundred dollars, or any fractional part thereof, of the amount secured by the mortgage, at time of its assignment, there must be affixed a stamp or stamps, denoting a duty of five cents.

When two or more persons join in the execution of an instrument, the stamps to which this instrument is liable, under the law, may be affixed and cancelled by one of the parties.

In conveyance of real estate, the law provides that the stamp affixed must answer to the value of the estate or interest conveyed.

No stamp is required on warrant of attorney accompanying a bond or note, when such bond or note has affixed thereto the stamp or stamps denoting the duty required, and whenever any bond or note is secured by mortgage, but one stamp duty is required on such papers, such stamp duty being the highest rates required for such instruments, or either of them. In such case a note or memorandum of the value or denomination of the stamp affixed should be made upon the margin or in the acknowledgment of the instrument which is not stamped.
